EXAMINER'S COMMENTS/REASONS FOR ALLOWANCE

Response to Applicants' amendment

2. Applicants' amendment, dated 11/18/2005, has overcome all previous rejections and the rejections are withdrawn.

Allowable Claims

3. Claims 40-43 are allowable over the prior art of record.

Reasons for Allowance

4. The following is an examiner's statement of reasons for allowance: Applicants have amended the application by canceling claims 1-39 and presenting new claims 40-43. The newly presented independent claim 40 combines the limitations of originally presented claims 22 and 27, which have been examined on the merits in the Office Action, dated 03/24/2005, wherein allowable subject matter with regard to claim 27 was indicated. Claims 41-43 depend from claim 40 and include the limitations of originally filed claims 26, 28 and 29, previously examined on the merits. Since no other prior art that anticipates or suggests fairly the combination of processing steps as instantly presented has been located as of the date of this office action, claims 40-43 are allowed over the prior art of record.

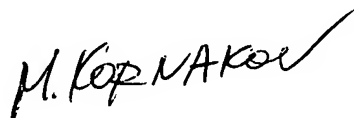

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Kornakov whose telephone number is (571) 272-1303. The examiner can normally be reached on 9:00am - 5:30pm.
